ARTICLE V

ASSESSMENT FOR COMMON EXPENSES

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any townhouse by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (1) annual assessment charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. For any delinquent annual and/or special assessments, the annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge upon the property and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time the assessment fell due. The personal obligation for delinquent assessments shall pass to his/her heirs.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents of the properties and, in particular, for the administration, acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose and related to the exterior maintenance of the homes situated upon the properties for the use and enjoyment of the Common Area, including, but not limited to, the cost of utilities, repairs, replacement and addition, the cost of labor, equipment, materials, management,

maintenance and supervision, the payment of taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the Bylaws, the payment of charges for garbage service, water furnished and water and sewer services rendered to the Common Properties, the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

Section 3. Annual Assessment (Regime Fees). When the Board of Directors fixes annual assessments for each calendar year, the Board shall at the same time, and in connection therewith, prepare or cause to be prepared, an annual budget showing the services furnished by the Association and the costs thereof per unit.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the townhouses and/or Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes cast in person or by proxy at the meeting called for this purpose. All special assessments shall be fixed at a uniform rate for all townhouses, and be collected on a monthly basis, or any other basis approved by the Board of Directors.

Section 5. Uniform Rate of Assessment. Except as hereinafter provided in Section 6, the Board of Directors at such rate shall fix all annual assessments as they deem just and proper and shall be collected on a monthly basis, or any other basis approved by the Board of Directors.

Section 6. Effect of Nonpayment of Assessments. Any monthly assessment not paid by the tenth of the month shall be increased to include a penalty of fifteen (\$15.00) dollars. . If is not received by the last day of the month, an additional \$15.00 late fee will be assessed on the homeowner. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property in like manner as a mortgage of real property. Upon exercise of its right to foreclose, the Association may elect to declare the entire remaining amount of the annual assessment due and payable and collect the same through foreclosure. Penalties, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessment. In the event of any such foreclosure action, the Owner shall be required to pay monthly Regime Fees after commencement of the foreclosure action, and the Plaintiff in such foreclosure shall be entitled to the appointment of a receiver to collect the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his/her townhouse.

Section 7. Subordination of the Lien. The liens provided for herein shall be prior and superior to all other liens except (1) to the lien of any mortgage, and (2) the lien of any unpaid taxes in favor of any taxing unit. The sale or transfer of any townhouse shall not affect the assessment lien. However, the sale or transfer of any townhouse pursuant to a mortgage foreclosure or any proceeding in lieu of foreclosure thereof shall extinguish the lien of such assessments as to the payment thereof, which became due prior to such sale or transfer. No such sale or transfer shall relieve such townhouse from liability for any assessments thereafter becoming due or from the lien thereof.

Section 8. Transfer Fee. At the time of any townhouse from the current Owner(s) to New Owner(s):

(a) The current Owner(s) shall notify the Association or Property Management Company, when applicable, of the sale of the property no later than thirty (30) days prior to the closing and shall provide to the Association/Property Manager the name and contact information of the new Owner(s) and, if known, the name of the closing attorney. If the name of the closing attorney is not known at that time, the current Owner shall inform the Association/Property Manager of the name as soon as possible.

(b) The Association shall levy a transfer fee in an amount equal to one percent (1%) of the final sales price of the property being transferred upon the new owner(s) at the time of the transfer of the interest in the property. This transfer fee shall be put into a fund to be used by the Association to assist with future improvements and enhancements to the Community.

(c) The foregoing shall not apply to transfers by inheritance.

Corey Gardens Homeowners Association shall be entitled to the same lien, and same rights, as created by Article V, Section 1 and Section 8.

ARTICLE VI
